## BLANKET ENDORSEMENT for FIELD TRIPS

Dear Parent / Guardian:

Several times per school year, your child will be able to participate in school field trips off of the PCRHS campus. These trips can include performances, picnics, lectures, exhibits and other Extended Learning Activities. We wish to have your signature on file stating that you give your child permission for such activities.

We will send home notices to inform you of each planned trip. You may request that your child not attend particular trips and we will make other arrangements for him/her during that activity.

With your signature on file, your child will not miss valuable learning experiences.

***My child has permission to ride a school bus or walk to sites for field trips when they are scheduled.***
